

I Could Sing Of Your Love Forever

Over the mountains and the sea, your river runs with love to me

And I will open up my heart and let the healer let me free

I'm happy to be in the truth, and I will daily lift my hands

For I will always sing of when your love came down

I could sing of your love forever, I could sing of your love forever

I could sing of your love forever, I could sing of your love forever
