

Cross of Calvary

Oh the cross of Calvary

Jesus God's son died upon that tree

To save us from hell's misery

He overcame death it has no sting (2x)

So shout victory---victory

Shout victory—victory

By His blood we have been set free

Death and hell have not hold on Me

Oh the Cross of Calvary

Was no mistake it was meant to be

The blood of the Lamb has set us free

We have a home for eternity.
