(Em C G D)

You can lead a horse to water - cant make him drink
Give a man a brain - cant make him think
you can smile all day - and not be happy
and you get your hair did - it can still be nappy
you can sleep all night - and not get no rest
you can be number one - and not be the best
everybody aint out drinking juice and gin
some of us love the lord and were living for him
you can know where you stand at - still be lost
I got a new life for free - and boy did it cost....Huh!
Humble thyself in the sight of the lord
Say all ye come on and one by one accord

Verse 1: - (x1)
