

## He Keeps Me Singing As I Go in E

**E**                      **B**                                      **E**  
Jesus, Jesus, Jesus, sweetest name I know  
**F#**                      **B**                                      **E**  
fills my every longing, keeps me singing as I go

**E**                                      **F#**  
1. There's within my heart a melody,  
**B**                                      **E**                      **B**  
Jesus whispers sweet & low  
**E**                                      **F#**  
Fear not I am with thee peace be still  
**B**                                      **E**  
in all of life's' ebb and flow

2. All my life was wrecked by sin & strife, Discord filled my life with pain,  
Jesus swept across the broken strings; stirred the slumbering chords again

3. Feasting on the riches of his grace, resting 'neath his sheltering wing  
Always looking on his smiling face that is why I shout & sing

4. Soon he's coming back to welcome me, far beyond the starry skies  
I shall wing my flight to worlds unknown, I shall reign with him on high
