

# I Lift Up My Hands

In G

G            D  
Father, I love you  
Am                            C            D  
my heart is filled with desire to see...  
          G            D  
your power and glory  
Am                            C            D  
Cover the earth, as the water does the sea  
Am                            Bm  
I am surrounded by the fortress of God  
C                            Am            D  
totally surrendered to you

Dsus            G                    Em    D  
I lift up my hands standing unashamed  
                          G    Em            D  
I worship you Father exalting your name  
                          Em  
you captured my heart  
                          D            Am  
now my life has changed  
                          C            Am
